

# PayForIt Mobile is here!

**Data Business Systems has a new mobile app your parents can use with their existing PayForIt.net account, wherever they are.**

- Data Business System's PayForIt.net smartphone/mobile device app brings parents and guardians on-the-go access to manage lunch accounts for students at participating schools.
- The app gives parents the convenience to view lunch account balances for all of their students.
- Student's cafeteria purchases are at parents' fingertips.
- Parents can securely deposit funds into multiple student's lunch accounts in one transaction.
- [And much more!](#)

**PayForIt Mobile is now available for Apple and Android devices. Click on the links or scan the QR codes below to download the app on any Android or Apple mobile device!**

Scan the QR code below to download the app for your Apple device.

Scan the QR code below to download the app for your Android device.

**Let your parents know about PayForIt Mobile, and how much easier online payment has become!**

**Please provide the support material below to your parents.**
